

TestCase

```
classDiagram
    class TestCase
    class SerialFlasherTestCase
    SerialFlasherTestCase --|> TestCase
```

The diagram illustrates a class hierarchy. At the top is a white box labeled 'TestCase'. Below it is a gray box labeled 'SerialFlasherTestCase'. A blue arrow points from the top of the 'SerialFlasherTestCase' box to the bottom of the 'TestCase' box, indicating that 'SerialFlasherTestCase' inherits from 'TestCase'.
